

WORD FROM WILLIAMS

June 19, 2009

Williams Web Site & Library News From Mrs. Kosmo

Mrs. Kelleher, our Information technology specialist, has redesigned the Williams School home page. We hope you will find the new look easier to navigate, and the information useful. We thank Mrs. Kelleher for her hard work on this endeavor.

Please check out my book lists page on the Library Media link. It includes: Caldecott and Newbery award winners, the nominations for next year's Massachusetts Children's Book Award, a link to the Newton Free Library's children's booklists, the Newton Public School's Summer Reading list, and

a site called Book Adventure that allows students to create their own book lists by inputting their own criteria. There are also other sites to find good reads for the summer and all year long.

The address for the Williams Home Page is:

<http://www.newton.k12.ma.us/williams/>

I would also like to thank all of my library volunteers for their commitment to the library program this year. A special thanks goes out to Carole McElduff and Ann Stephens for leading the volunteer effort this year. I hope everyone has a great summer and we will see you in the fall.

Box Tops Brought In \$572

All those little box tops parents have been sending into school have added up! Parents have collected \$572 for Williams School. That is free money for us, and we put it to good use.

Please keep collecting box tops over the summer. For more information on participating products:

www.boxtops4education.com.

Thanks to Elaine Rush Arruda for doing all the work involved in getting all this money for Williams School.

Don't Forget: The Last Day of School is a 12 Noon Release

Rec Place Accepting Students for Fall '09

Rec Place Afterschool is currently accepting applications for students next year. A few full time Kindergarten slots are still available.

The Williams school bus provides free transportation from door to door. Currently more than 35 Williams students have chosen Rec Place for afterschool care.

If you are interested in talking to Williams Rec Place parents to discuss why Rec Place is their afterschool of choice, please call 332-7327 or send an email to recplace@yahoo.com. Please come by to visit or check out our website at www.recplace.org

Don't Forget to Check the Williams Lost and Found Bin

You never know what treasures you will find in the lost and found bin at Williams. This newsletter editor found a long-lost fleece jacket that she forgot her daughter even had! It's so great to have it again.

There are two lost and found bins at Williams. One is outside the gymnasium and the other is upstairs outside Mr. Jacobson's classroom. Anything left after school ends on Tuesday will be tossed or donated.

Learn Where the Mayoral Candidates Stand on Education Issues: Mayoral Candidate Forum, Tuesday June 23rd

We encourage everyone to attend the Mayoral Candidate Forum on Education next Tuesday, June 23 at 7 p.m.

The Newton PTO Council will host a forum for all four Mayoral candidates to address questions about education.

The forum will be held in Room 210 of the Education Center, 100 Walnut Street – where the School Committee meets. NewTV will record the

forum for later broadcast. Please come to the forum with questions.

Candidates Ruth Balsler, Paul Coletti, Ken Parker, and Setti Warren will answer questions from a live audience, as well as questions collected by member PTOs beforehand.

The upcoming Mayoral election promises to be extremely important for education in Newton. Newton is facing major issues and potential changes in education, and the next Mayor will have a huge impact on them – through a seat on the School Committee as well as in the Mayor's office.

Community Members Needed for Superintendent Search

The School Committee is just beginning the process of selecting members for the 19-member Search Committee that will be responsible for selecting the next Superintendent of Schools for Newton.

There are 8 slots for community members. If you are interested in serving, information is available on the Newton Public School's website: http://www.newton.k12.ma.us/schoolcommittee/_documentsFY09/Superintendent_Search_06_08_09.pdf Applications are due by July 24th.

Thanks For A Great Sendoff For Dr. Moynihan

The PTO would like to thank everyone who attended the retirement party for Dr. Moynihan. It was a very special night that Dr. Moynihan truly enjoyed and cherished. We also want to thank all the families who donated to the event, the local businesses that donated goods and services (Breadsong Bakery and Auburndale Liquors), and especially the following individuals who volunteered their time and creativity to make the event so memorable:

- Crystalyn Gladstone for countless hours composing Dr. Moynihan's scrapbook
- Bill Sullivan for helping with so many logistical details
- Beth Doran and Jane Wan for a tremendous job as masters of ceremony
- Michael Lorant for his outstanding effort and creativity in capturing the night on video
- Maureen Kelley and Joan Cody for organizing the acrostic poem
- Joan Cody and Dan Fitzpatrick for organizing the event
- Terese Walkeapaa of the WASC program for being so accommodating
- and the following folks whose versatility and willingness to help were invaluable:
 - Seth Newman
 - Leah Arteaga
 - Abby Liebman
 - Donna Whitham
 - Dawn Eswara
 - Christine Lacey
 - Carie Michael
 - Lauren Brooks
 - Ralph Torres
 - Robert Fitzpatrick

Last PTO Meeting Just Before Arch Day

Please join us this Tuesday, June 23rd, the last day of school, for our last PTO meeting of the year. The meeting will take place in the gymnasium at 9:30 am prior to the Arch Day ceremony, which commences at 10 am. At this all-important but brief meeting we will vote in the 09-10 PTO slate, among other items. Please come and join the process as well as have the opportunity to mingle before the 10 am Arch Day ceremony. See you there!

Sound System Thank you!

Test 1, 2, 3 can you hear me now? A resounding YES, we can hear you now! A very loud and enthusiastic thank you to Jeanine Cowen and Sara Whitman for their herculean efforts in supplying Williams with a long-needed sound system for the auditorium. Through their time, energy, knowledge and financial support, we can hear you now! A couple of months ago we saw their initial work with the sound system in the dining hall. Now with the completion of the installation in the auditorium, we will be able to hear all our children's voices both big and small as they perform for us on stage for many years to come. Jeanine and Sara, we hope you can hear us now—THANK YOU, THANK YOU, THANK YOU!

Celebration of Dr. Moynihan

The Williams community came out in full force gathering around Dr. Moynihan to make sure she knows how much she's loved here and how much we all appreciate all of the wonderful things she's done for our children and for our school. In case you missed the acrostic poem that Williams students from each classroom helped to write, here it is again:

D Delightful
R Radiant
M Math Power
O Outstanding
Y Yearning for Learning
N Neat
I Imagine
H Highlight of the Day
A Animated
N Number Queen
P Purple
H Honorable
D Dynamic

Huge thanks to Dan Fitzpatrick and Joan Cody, who took on the enormous task of event planning, and got it just right. Our thanks, too, to Crystalyn Gladstone, Teachers Asst. for Mrs. Black and Mrs. Kanode's 4th Grade Class, who created the beautiful scrapbook that pulled together all of the momentos, pictures, and notes from Williams families into one cohesive story of Dr. Moynihan's importance in our community.

Awesome Art Show!

Dr. Moynihan said it best; excellent teachers draw out the very best in their students and Ms. McGill has successfully encouraged the artist in each of our kids. The hallways at Williams have been a delight to walk through because of all of the fabulous art on display. The Art Show gloriously highlighted the creativity of Williams students. Ms. McGill we thank you.

Buffet of Appreciation

Thanks to Christina Brooks and Rosa Dare who organized the Teacher and Staff Appreciation Luncheon last week. It was a terrific buffet put together by Williams families in appreciation for all our teachers and staff do throughout the year to make Williams such a wonderful community! Our thanks to all the Williams families who participated by donating time, food and supplies to make this a scrumptious event.

Color Day Shines Brightly

There were the classics, like the Pizza Box Carry and the Tug-of-Fun, and some new events too, like the Beach Ball Balance and the Hula Hoop Contest. Fauxhawks in red, green, and blue and team spirit galore. The Parent Teacher Egg Toss was an instant hit that we are sure to see for years to come. We have some great egg tossers at Williams! Big thanks to Sis Belcher who planned a fantastic Color Day, and to Elaine Rush Arruda and Joyce McDonald who coordinated all of the parent volunteers who make this field day possible.

Special thanks to our WFW team

Our newsletter has taken on many forms over the past two years and as we've been experiencing with different styles one thing has remained constant...our fabulous Communications Editor Christine Lacey. Christine, we thank you for your tireless commitment! We also want to thank Carol Bradford-Roe who puts together the classified section for each issue. The WFW is an important communication tool that both Christine and Carol immerse themselves into on a bi-weekly basis. Thank you Christine and Carol for all of the hours you have selflessly given – your efforts are very much appreciated.

Faculty and Staff at Williams are amazing

We are blessed to have such a talented staff at Williams. When you walk through the hallways the warmth from the Williams team is simply contagious. Thank you to our wonderful teachers for the wisdom and patience our children experience each and every day. Dottie and Bill thank you for making the operations of our school run flawlessly daily. Joan thanks for being the ultimate utility player, always filling in where the need is greatest. Nurse Dolly thank you for taking care of our children when we can't be there to comfort them. (we know your office is a refuge.) And then there are all of our specialists who go above and beyond duty and it truly shows.

There are so many of you that comprise this inner workings of Williams. We thank each of you for the expertise, guidance and persistence you bring to the table in helping all of our children to imagine, believe and achieve! Special thanks to Dr. Christine Moynihan for her boundless energy that showers our children with love that they feel the second they step foot on school grounds. Your dedication and spirit will truly be missed and we can never thank you enough for your endless devotion to the Williams community for the past 6 years. We wish you nothing but the best as you begin the next chapter of your life.

Final thoughts

It seems as though it was just yesterday we were scrambling to put pen to paper for our beginning of the school year thoughts, yet here we are almost 180 days later with our final thoughts. To say it has been a year of change would be an understatement. The global changes have worked their way swiftly down to all of us. The survival skills have kicked into high gear with most of us are making changes to adapt to the new global economy. If one steps back though to look for the silver lining in this sea of change, surprisingly one answer lies no farther away than the inside of one's home. For here dwells your family, the reason that gets you out of bed everyday and the element that can pull and tug at your heartstrings like no other. And as we all struggle to find ways to achieve financial balance in our lives, we hopefully will rediscover that children really just love us for us and the simple things we can do with them. They love us to play hide and go seek, hop scotch, jump rope, board games, walk to the playground, read books and just spend quality family time together. We hope your summer allows you some precious time to do just that with your family. We know that will be our goal. We thank you for your endless support this year and wish you all a happy, fun filled summer. We look forward to seeing everyone in September at our opening PTO picnic!

As always we leave you with a quote:

The happiest moments of my life have been the few which I have passed at home in the bosom of my family.

--Thomas Jefferson

Miscellaneous

Mason-Rice Alumni Available for Babysitting. Newton South High School graduate and currently local College student, Nikki, seeks babysitting situations. School is now over for the summer, and so I am available anytime. I have had babysitting courses, Red Cross certification, and have been a camp counselor. I have a car. If interested, please call: 617-584-7262 and 617-965-0892, or email me @: nicole.forecast@votes.collegeofidaho.edu.

Babysitters available now: Newton South seniors Katie and Julie Salerno are available for babysitting and homework help, now and throughout the summer. After 12 years of playing soccer and basketball, we are available to help with car pools (we know every practice field in the city!) as well as provide some one-on-one coaching if desired (we will each play soccer in college). We are also available on school nights for those end-of-year concerts and plays. We are lifeguard and CPR certified. Contact us at 617-965-2991 or katiesalerno@comcast.net.

Mark Your Calendars Wed. July 22, 7-9pm: Newton 20/20 is hosting a discussion of "Expanded Learning Time" with speaker Chris Gabrieli. Under the Massachusetts Expanded Learning Time (ELT) Initiative, participating schools are expanding school time to improve student outcomes in core academic subjects, broaden enrichment opportunities, and improve instruction by adding more planning and professional development time for teachers. The vision behind the ELT Initiative is to reshape the American school calendar to provide all students with a well-rounded education that prepares them for full engagement and participation in the economic and civic life of our 21st century global society. Founded on the basic premise that the century-old school schedule is out of date, ELT seeks to free public schools from the shackles of a calendar designed to accommodate farm and factory schedules. The event is open to the public. More information at www.newton2020.org. Check back with the website later for meeting location.

Mayoral Candidate Forum on Education: On Tuesday, June 23 at 7PM, the Newton PTO Council will host a forum for all four Mayoral candidates to address questions on education. The forum will be held in Room 210 of the Education Center, 100 Walnut Street – where the School Committee meets. NewTV will record the forum for later broadcast. Please come to the forum with questions you want addressed. Candidates Ruth Balsler, Paul Coletti, Ken Parker, and Setti Warren will address questions from a live audience as well as questions collected by member PTOs beforehand.
